

QUALITY POLICY

It is the policy of Correx Ltd to provide services of consistent high quality to its Customers.

To achieve this objective Correx has developed a Quality Management System in accordance with BS EN ISO 9001: 2015 as applicable to a Professional Engineering Institute.

This is achieved by the implementation of the Quality System contained in the Quality Manual together with compliance with the requirements of *BS EN ISO 9001:2015 Quality management systems – Requirements* and other related Client, British, European and International Standards and Codes of Practice including any Statutory Regulations.

Correx is committed to:

1. Develop, implement and maintain the Quality Management System
2. Continually improve the effectiveness of the Quality Management System
3. The enhancement of member/customer satisfaction

Correx has a continuing commitment to:

1. Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction
2. Communicate throughout Correx the importance of meeting customer needs and legal requirements
3. Establish the Quality Policy and its objectives
4. Conduct Management Reviews of the effectiveness of the implementation of the Quality Management System
5. Ensure the availability of resources

Scope of Manual

The scope of the Quality Management System is the Management of the Industrial Coatings Applicator Training Scheme

The structure of the Quality Management System is defined in this Quality Manual.

All personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual.

Correx constantly monitors its quality performance and implements improvements when appropriate.

This Quality Policy is regularly reviewed in order to ensure its continuing suitability.
